0. About This Handbook and How to Use It

The Adamas Technologies Employee Handbook 2026 (Document ID: ADM-HR-HBK-2026-03, Version 3.0) is the official internal reference for the human resources policies of Adamas Technologies Pvt. Ltd. This handbook is maintained by the Human Resources Department of Adamas Technologies and is effective from 1 January 2026.

This handbook applies to all employees of Adamas Technologies, including full-time employees, interns, and contract employees, unless a specific policy in this handbook states a narrower scope. Where a policy in this handbook conflicts with an individual employee's signed offer letter or employment agreement, the offer letter or employment agreement will prevail for that employee.

Each section of this Adamas Technologies handbook is numbered and self-contained so that it can be read independently of the others. Section 13 (Glossary of Terms) defines every abbreviation used in this handbook, such as HRMS, PF, TDS, HRA, POSH, PIP, MFA, and VPN. Section 14 (Frequently Asked Questions) restates the most common policy questions in plain language with direct answers, and cross-references the relevant numbered section of this handbook for further detail.

Adamas Technologies reviews this handbook annually, and more frequently if a material change in law or company policy requires it. The Human Resources Department of Adamas Technologies communicates all material updates to employees by email and publishes the current version on the internal HR portal. Employees should always refer to the version published on the internal HR portal as the authoritative and current version of this handbook.

1. Welcome to Adamas Technologies

On behalf of the leadership team of Adamas Technologies, welcome. This section of the Adamas Technologies Employee Handbook introduces the company's mission, vision, values, and the scope of this handbook.

1.1 Mission Statement

The mission of Adamas Technologies is to build reliable digital products that improve everyday life. Every decision made at Adamas Technologies, from the features the company ships to the way employees of Adamas Technologies treat one another, is measured against this mission.

1.2 Vision Statement

The vision of Adamas Technologies is to be recognized as a trusted technology partner known for engineering excellence, ethical business practices, and a workplace where people can do their best work.

1.3 Core Values of Adamas Technologies

Adamas Technologies is guided by five core values, described below.

1.3.1 Integrity

Employees of Adamas Technologies act honestly and transparently in all dealings, whether with colleagues, clients, or partners. Integrity at Adamas Technologies means employees do not misrepresent facts, do not conceal material information from management, and hold themselves accountable for their commitments.

1.3.2 Ownership

Employees of Adamas Technologies take responsibility for their work and its outcomes, and follow through on commitments made to colleagues, managers, and clients. Ownership at Adamas Technologies means proactively flagging risks and blockers rather than waiting to be asked.

1.3.3 Innovation

Adamas Technologies encourages curiosity, experimentation, and continuous improvement in everything the company builds. Employees are encouraged to propose new ideas, question existing processes, and pilot improvements within their teams.

1.3.4 Collaboration

Employees of Adamas Technologies work as one team, sharing knowledge freely and supporting colleagues across functions. Collaboration at Adamas Technologies includes documenting work clearly so that others can build on it.

1.3.5 Continuous Learning

Adamas Technologies invests in the growth of its people and encourages every employee to keep developing new skills, including through the learning and certification reimbursement benefit described in Section 6.2 of this handbook.

1.4 Equal Opportunity Employment at Adamas Technologies

Adamas Technologies is committed to providing equal employment opportunity to all employees and applicants without regard to race, colour, religion, sex, gender identity, sexual orientation, national origin, age, disability, marital status, or any other characteristic protected under applicable law. This equal opportunity commitment

applies to recruitment, hiring, training, promotion, compensation, and every other aspect of employment at Adamas Technologies.

1.5 Scope and Applicability of This Handbook

This Adamas Technologies handbook applies to all full-time employees, interns, and contract employees of Adamas Technologies across all office locations, unless a specific section states a narrower scope, such as a benefit that applies only to full-time confirmed employees.

1.6 Handbook Governance and Version History

This is Version 3.0 of the Adamas Technologies Employee Handbook, effective 1 January 2026, and supersedes Version 2.0 and all earlier versions. The Human Resources Department of Adamas Technologies is the sole owner of this document and is the only department authorized to issue amendments. Any printed or downloaded copy of this handbook should be treated as uncontrolled once a newer version is published on the internal HR portal.

2. Employment Policies

This section of the Adamas Technologies Employee Handbook describes the employment categories, probation, confirmation, notice period, transfer, and record-keeping policies that apply to employees of Adamas Technologies.

2.1 Employment Categories at Adamas Technologies

2.1.1 Full-Time Employees

Full-time employees of Adamas Technologies are engaged on a permanent basis and are eligible for the full range of benefits described in this handbook, including health insurance, paid leave, and performance-linked increments, once confirmed.

2.1.2 Interns

Interns at Adamas Technologies are engaged for a fixed training period, typically ranging from three (3) to six (6) months, under the guidance of an assigned mentor. Interns at Adamas Technologies are eligible for a stipend as specified in their internship offer letter, but are not eligible for the full employee benefits package described in Section 6 of this handbook unless explicitly stated in their internship offer letter.

2.1.3 Contract Employees

Contract employees of Adamas Technologies are engaged for a defined project or period under a separate contractual agreement, with compensation, benefits, and termination terms specified in that agreement rather than in this handbook.

2.2 Probation Period at Adamas Technologies

All new full-time employees of Adamas Technologies serve a probation period of six (6) months from their date of joining, unless a different probation duration is specified in the offer letter. During the probation period, either the employee or Adamas Technologies may terminate the employment relationship by providing fourteen (14) days' written notice, or payment in lieu of that notice.

2.3 Confirmation of Employment at Adamas Technologies

Confirmation of a probationary employee to permanent status at Adamas Technologies is based on a documented performance review conducted by the employee's manager, evaluating job knowledge, quality of work, attendance, and alignment with the Adamas Technologies core values described in Section 1.3 of this handbook.

The probation period at Adamas Technologies may be extended by up to three (3) months at management's discretion where further performance observation is required. Employees of Adamas Technologies are notified in writing of their confirmation, extension, or non-confirmation.

2.4 Resignation and Notice Period at Adamas Technologies

The standard notice period for resignation from Adamas Technologies is sixty (60) days for confirmed employees, and fourteen (14) days for employees still on probation, unless a different notice period is specified in the offer letter. Resignations must be submitted in writing to the employee's manager and to the Human Resources Department of Adamas Technologies.

Adamas Technologies may, at its discretion, allow a shorter notice period, or require the employee to buy out the shortfall by paying Adamas Technologies an amount equal to the employee's gross salary for the unserved notice days, as described further in Section 12.1 of this handbook.

2.5 Internal Transfers and Role Changes at Adamas Technologies

Internal transfers between teams, departments, or office locations within Adamas Technologies may be initiated based on business requirements or employee requests. Transfer requests at Adamas Technologies are reviewed jointly by the employee's current manager, the receiving manager, and the Human Resources Department, taking into account business impact, skill fit, and the employee's development goals.

2.6 Background Verification

Adamas Technologies conducts background verification checks for all new full-time employees prior to or shortly after their date of joining, covering prior employment, educational qualifications, and, where legally permitted, criminal record checks. Any material discrepancy identified during background verification may result in withdrawal of the offer or termination of employment.

2.7 Employment Records at Adamas Technologies

Employees of Adamas Technologies are responsible for keeping their personal information current in the HRMS at all times, including address, contact number, emergency contacts, and bank account details. Adamas Technologies maintains employment records in accordance with applicable data protection laws, as further described in Section 9.4 of this handbook.

2.8 Re-Employment Policy

Former employees of Adamas Technologies who resigned in good standing and completed proper offboarding, as described in Section 12 of this handbook, may be considered for re-employment at Adamas Technologies, subject to a fresh interview process and business need. Employees terminated for misconduct are generally not eligible for re-employment at Adamas Technologies.

3. Working Hours and Attendance

This section of the Adamas Technologies Employee Handbook describes standard office hours, flexible working arrangements, attendance recording, and related rules that apply to employees of Adamas Technologies.

3.1 Standard Office Hours at Adamas Technologies

Standard office hours at Adamas Technologies are 9:00 AM to 6:00 PM, Monday through Friday, inclusive of a one-hour lunch break. Department heads at Adamas Technologies may approve flexible start times between 8:00 AM and 10:00 AM, provided the employee completes a full eight-hour workday and respects the core collaboration hours described in Section 3.2.

3.2 Core Collaboration Hours at Adamas Technologies

All employees of Adamas Technologies are expected to be available and reachable between 11:00 AM and 4:00 PM on working days, regardless of their chosen start time, to support meetings and cross-team collaboration.

3.3 Attendance Recording at Adamas Technologies

All employees of Adamas Technologies must record their attendance using the HRMS on a daily basis, including clock-in and clock-out times. Attendance data recorded in the HRMS feeds directly into payroll and leave balance calculations at Adamas Technologies, so accuracy in attendance recording is essential.

3.4 Half Day and Full Day Rules at Adamas Technologies

- Working fewer than four (4) hours in a day at Adamas Technologies constitutes a half day.
- Working between four (4) and eight (8) hours at Adamas Technologies constitutes a partial day and may be adjusted against the employee's leave balance at the manager's discretion.
- A full working day at Adamas Technologies consists of eight (8) hours, exclusive of the one-hour lunch break.

3.5 Late Arrivals and Unexplained Absences at Adamas Technologies

Employees of Adamas Technologies are expected to inform their manager in advance of any anticipated late arrival or absence. Three (3) unexplained consecutive absences from Adamas Technologies without prior communication may result in disciplinary action, up to and including termination of employment, in accordance with the disciplinary matrix described in Section 8.8 of this handbook.

3.6 Overtime at Adamas Technologies

Overtime work at Adamas Technologies must be pre-approved by the employee's reporting manager. Eligible employees of Adamas Technologies who work beyond standard hours at management's request may be compensated with compensatory time off or overtime pay, subject to applicable law and the employee's role classification.

3.7 Travel Time and Business Travel

Time spent by an employee of Adamas Technologies travelling for a same-day business meeting is treated as working time. Overnight business travel undertaken at Adamas Technologies' request is compensated in accordance with the company's travel policy, which is published separately on the internal HR portal.

4. Leave Policy

This section of the Adamas Technologies Employee Handbook describes every category of leave available to employees of Adamas Technologies, including eligibility, accrual, and the application process.

4.1 Paid Leave at Adamas Technologies

Employees of Adamas Technologies are entitled to twenty (20) days of paid leave per calendar year, credited annually and usable for planned personal time off. Paid leave at Adamas Technologies is credited on a pro-rata basis for employees joining mid-year, calculated from the employee's date of joining.

4.2 Sick Leave at Adamas Technologies

Employees of Adamas Technologies are entitled to twelve (12) days of sick leave per calendar year for illness or medical needs. Sick leave at Adamas Technologies exceeding two (2) consecutive days requires supporting medical documentation to be submitted to the Human Resources Department within seven (7) working days of the employee's return to work.

4.3 Casual Leave at Adamas Technologies

Employees of Adamas Technologies are entitled to eight (8) days of casual leave per calendar year for short-notice personal matters that do not qualify as sick leave.

4.4 Maternity Leave at Adamas Technologies

Eligible employees of Adamas Technologies are entitled to one hundred eighty (180) days of maternity leave, in accordance with applicable law. Employees planning to take maternity leave at Adamas Technologies should notify their manager and the Human Resources Department as early as reasonably possible to plan a smooth handover.

4.5 Paternity Leave at Adamas Technologies

Eligible employees of Adamas Technologies are entitled to fifteen (15) days of paternity leave following the birth or adoption of a child.

4.6 Bereavement Leave at Adamas Technologies

Employees of Adamas Technologies are entitled to five (5) days of bereavement leave in the event of the death of an immediate family member, defined for this purpose as a spouse, child, parent, or sibling.

4.7 Sabbatical Leave at Adamas Technologies

Employees of Adamas Technologies with at least three (3) years of continuous tenure may apply for unpaid sabbatical leave of up to ninety (90) days, subject to management approval and business need. Sabbatical leave requests at Adamas Technologies should be submitted to the manager and Human Resources Department at least sixty (60) days in advance.

4.8 Leave Without Pay (LOP)

Where an employee of Adamas Technologies has exhausted the applicable leave balance described in Sections 4.1 to 4.3, any further absence is recorded as Leave Without Pay (LOP) and the corresponding amount is deducted from the employee's salary for that pay cycle, as described in Section 5.3 of this handbook.

4.9 Carry Forward and Encashment of Leave

Unused paid leave at Adamas Technologies may be carried forward up to a maximum of ten (10) days into the following calendar year. Any paid leave balance beyond this ten-day cap will lapse unless the employee opts for encashment, where permitted by policy and local law, at the time of the annual leave settlement cycle conducted by the Human Resources Department.

4.10 Applying for Leave at Adamas Technologies

Leave requests at Adamas Technologies must be submitted through the HRMS at least two (2) working days in advance for planned leave, except in cases of medical or family emergencies, which should be reported to the manager and the Human Resources Department as soon as reasonably possible.

4.11 Public Holidays at Adamas Technologies

Adamas Technologies observes a list of public and festival holidays published annually by the Human Resources Department at the start of each calendar year, in line with applicable central and state government notifications for each office location.

4.12 Leave During Probation

Employees of Adamas Technologies on probation, as described in Section 2.2 of this handbook, accrue paid leave and sick leave on the same pro-rata basis as confirmed employees, but may only avail such leave with prior approval from their manager.

5. Compensation and Payroll

This section of the Adamas Technologies Employee Handbook describes the salary structure, disbursement schedule, increments, bonuses, and payroll dispute process applicable to employees of Adamas Technologies.

5.1 Salary Disbursement at Adamas Technologies

Salaries at Adamas Technologies are credited to employees' registered bank accounts on the final working day of each month, via electronic transfer. Payslips for each pay cycle are made available to employees through the HRMS.

5.2 Salary Structure at Adamas Technologies

The salary structure of an employee at Adamas Technologies is composed of the following components.

Basic Salary: Forms the core of the compensation structure at Adamas Technologies and is the base used for statutory calculations such as Provident Fund contributions.

House Rent Allowance (HRA): Calculated as 50% of basic salary for employees of Adamas Technologies based in metro locations, and at the applicable rate for employees in non-metro locations.

Special Allowance: The balancing component of an Adamas Technologies employee's compensation structure, as specified in the offer letter.

Provident Fund (PF): Deducted from an Adamas Technologies employee's salary in accordance with applicable Employees' Provident Fund regulations, with a matching employer contribution from Adamas Technologies.

Professional Tax: Deducted from an Adamas Technologies employee's salary according to the slabs applicable in the employee's state of employment.

Income Tax (TDS): Deducted at source from an Adamas Technologies employee's salary based on the employee's declared tax regime and investment declarations for that financial year.

5.3 Deductions for Leave Without Pay

Where an employee of Adamas Technologies takes Leave Without Pay as described in Section 4.8 of this handbook, the corresponding day's gross salary is deducted from that month's payroll, calculated as the monthly gross salary divided by the number of calendar days in that month.

5.4 Increments at Adamas Technologies

Annual increments at Adamas Technologies are reviewed as part of the yearly performance cycle described in Section 10.1 of this handbook, and are linked to the employee's individual performance rating, Adamas Technologies' overall business performance, and external market benchmarking.

5.5 Bonuses at Adamas Technologies

Festival bonuses and performance-linked incentives at Adamas Technologies are disbursed in accordance with the company policy in force at the relevant time, and are communicated to eligible employees through an official HR circular each year.

5.6 Notice Period Buyout

Where an employee of Adamas Technologies is relieved before completing the notice period described in Section 2.4 of this handbook, and Adamas Technologies has agreed to waive the shortfall, the employee may be required to pay Adamas Technologies an amount equal to the gross salary for the number of notice days not served, deducted from the final settlement described in Section 12.4.

5.7 Payroll Disputes at Adamas Technologies

Any discrepancy in salary, deductions, or reimbursements at Adamas Technologies should be reported to the Human Resources Department within seven (7) days of receipt of the payslip. The Human Resources Department of Adamas Technologies will investigate and resolve valid payroll disputes within fifteen (15) working days of the report.

6. Employee Benefits

This section of the Adamas Technologies Employee Handbook describes the non-salary benefits available to employees of Adamas Technologies, including health insurance, learning reimbursement, and wellness programs.

6.1 Health Insurance at Adamas Technologies

All eligible employees of Adamas Technologies are covered under the company's group health insurance policy, which extends to the employee and, where opted, immediate dependents such as a spouse, children, and parents, subject to the insurance policy's terms. Details of coverage amount, network hospitals, and the claims procedure are shared by the Human Resources Department of Adamas Technologies at the time of onboarding and are available on the internal HR portal.

6.1.1 Filing a Health Insurance Claim

An employee of Adamas Technologies filing a health insurance claim should first attempt a cashless claim at a network hospital by presenting the insurance card issued by Adamas Technologies; where a cashless claim is not possible, the employee may file a reimbursement claim with original bills through the insurer's portal, with support available from the Human Resources Department of Adamas Technologies.

6.2 Learning and Certification Reimbursement at Adamas Technologies

Employees of Adamas Technologies may claim reimbursement for job-relevant certifications, courses, and conferences, subject to prior manager approval and the annual reimbursement cap defined by the Human Resources Department. Original receipts and a certificate of completion must be submitted to Adamas Technologies for reimbursement to be processed.

6.3 Internet and Remote Work Reimbursement at Adamas Technologies

Employees of Adamas Technologies approved for remote work, as described in Section 7 of this handbook, may claim a monthly internet reimbursement against valid bills, up to the limit specified in the remote work policy.

6.4 Festival Bonuses and Recognition at Adamas Technologies

Festival bonuses and performance incentives at Adamas Technologies are provided at management's discretion based on company performance and individual contribution, and are communicated through official Human Resources circulars each year, as also described in Section 5.5 of this handbook.

6.5 Employee Wellness Programs at Adamas Technologies

Employee wellness initiatives at Adamas Technologies, including health check-ups, mental health support sessions, and fitness engagement programs, are conducted on a quarterly basis. Employees of Adamas Technologies are encouraged to participate and may reach out confidentially to the Human Resources Department for wellness-related support at any time.

6.6 Gratuity

Employees of Adamas Technologies who complete five (5) or more years of continuous service are eligible for gratuity in accordance with applicable law, payable at the time of separation from Adamas Technologies as part of the full and final settlement described in Section 12.4 of this handbook.

6.7 Employee Referral Bonus

Employees of Adamas Technologies who refer a candidate who is subsequently hired and completes the probation period described in Section 2.2 are eligible for a referral bonus, at the amount and eligibility criteria published separately by the Human Resources Department on the internal HR portal.

7. Remote and Hybrid Work Policy

This section of the Adamas Technologies Employee Handbook describes the eligibility, approval process, equipment, and security requirements for employees of Adamas Technologies working remotely or in a hybrid arrangement.

7.1 Approval and Eligibility for Remote Work at Adamas Technologies

Remote work arrangements at Adamas Technologies require prior approval from the employee's reporting manager, taking into account the nature of the role, team requirements, and the employee's performance history. Hybrid work schedules at Adamas Technologies, where applicable, are determined by department heads in consultation with the Human Resources Department.

7.2 Availability During Remote Work at Adamas Technologies

Employees of Adamas Technologies working remotely must remain available and responsive during the official working hours and core collaboration hours described in Sections 3.1 and 3.2 of this handbook, and must attend scheduled meetings with video enabled where required by the manager.

7.3 Equipment and Security for Remote Work at Adamas Technologies

- Company-issued devices provided by Adamas Technologies must be used solely for official work and kept secure at all times.
- VPN usage is mandatory when an Adamas Technologies employee accesses internal systems and resources from outside the office network, as further described in Section 9 of this handbook.
- Employees of Adamas Technologies must ensure their home working environment maintains the confidentiality of company and client information, including screen privacy in shared spaces.

7.4 Workspace Expectations for Remote Employees of Adamas Technologies

Employees of Adamas Technologies working remotely are expected to maintain a professional, distraction-free workspace conducive to productive work and video calls.

7.5 Hybrid Work Schedule Types at Adamas Technologies

Where a department at Adamas Technologies operates a hybrid schedule, the department head typically designates either fixed in-office days common to the whole team, or a minimum number of in-office days per week that employees may choose within team guidelines, communicated to the team in advance by the department head.

7.6 International and Cross-Location Remote Work

An employee of Adamas Technologies wishing to work remotely from a different city or country than their base location for an extended period must obtain prior written approval from both the reporting manager and the Human Resources Department, to address tax, legal, and data protection considerations.

8. Code of Conduct

This section of the Adamas Technologies Employee Handbook describes the standards of professional behaviour, confidentiality, and conduct expected of every employee of Adamas Technologies.

8.1 Professional Behaviour at Adamas Technologies

All employees of Adamas Technologies are expected to conduct themselves with professionalism, honesty, and mutual respect in every interaction, whether with colleagues, clients, vendors, or members of the public.

8.2 Anti-Harassment and Anti-Discrimination Policy at Adamas Technologies

Harassment, discrimination, and bullying of any kind, including on the basis of gender, caste, religion, disability, or any other protected characteristic, are strictly prohibited at Adamas Technologies.

8.2.1 Prevention of Sexual Harassment (POSH) at Adamas Technologies

Adamas Technologies maintains a Prevention of Sexual Harassment (POSH) policy and an Internal Committee to address complaints of sexual harassment in accordance with applicable law. An employee of Adamas Technologies who experiences or witnesses sexual harassment may raise a complaint confidentially with the Human Resources Department or directly with the Internal Committee, whose contact details are published on the internal HR portal. The Internal Committee at Adamas Technologies aims to complete its inquiry into a POSH complaint within ninety (90) days, in line with applicable law.

8.3 Confidentiality at Adamas Technologies

Employees of Adamas Technologies must not disclose confidential company, client, or employee information to any external party without proper authorization, both during and after their employment with Adamas Technologies, in line with the confidentiality undertaking signed at the time of joining.

8.4 Conflicts of Interest at Adamas Technologies

Employees of Adamas Technologies must disclose to management any personal, financial, or business interest that may conflict, or appear to conflict, with the interests of Adamas Technologies, including outside employment, related-party transactions, or close personal relationships with vendors or competitors of Adamas Technologies.

8.5 Gifts and Business Entertainment

Employees of Adamas Technologies may accept nominal business gifts or hospitality from vendors or clients in the ordinary course of business, but must decline and report to management any gift, payment, or hospitality that could reasonably be seen as intended to influence a business decision made on behalf of Adamas Technologies.

8.6 Anti-Bribery and Anti-Corruption

Employees of Adamas Technologies must not offer, give, solicit, or accept any bribe or improper payment in connection with Adamas Technologies' business, whether directly or through a third party, and must report any such request or offer to the Human Resources Department immediately.

8.7 Social Media and Public Conduct at Adamas Technologies

Employees of Adamas Technologies should exercise good judgment when posting on social media or engaging in public forums, ensuring such activity does not damage the reputation of Adamas Technologies, disclose confidential information, or misrepresent official Adamas Technologies positions.

8.8 Dress Code at Adamas Technologies

Employees of Adamas Technologies are expected to dress in smart-casual attire appropriate for a professional workplace, with formal attire required for client meetings and official Adamas Technologies events, unless otherwise specified by department policy.

8.9 Alcohol and Substance Policy

Employees of Adamas Technologies must not report to work, or remain at work, under the influence of alcohol or any illegal substance. Moderate consumption of alcohol may be permitted at official Adamas Technologies social events where explicitly authorized by management, provided employees continue to behave professionally.

8.10 Disciplinary Matrix at Adamas Technologies

Violations of this Code of Conduct at Adamas Technologies may result in disciplinary action ranging from a verbal warning, to a written warning, to a Performance Improvement Plan as described in Section 10.4, to termination of employment, depending on the severity and frequency of the violation, following a fair and documented process conducted by the Human Resources Department.

9. IT Security and Data Privacy

This section of the Adamas Technologies Employee Handbook describes the password, access control, and data protection requirements that apply to every employee of Adamas Technologies using company systems.

9.1 Password Policy at Adamas Technologies

Passwords used to access Adamas Technologies systems must comply with company security requirements, including a minimum length of twelve (12) characters, a mix of uppercase, lowercase, numeric, and special characters, and renewal at least every ninety (90) days. Passwords must never be shared with, or disclosed to, any other individual, including colleagues and managers at Adamas Technologies.

9.2 Multi-Factor Authentication at Adamas Technologies

Multi-factor authentication (MFA) should be enabled on all Adamas Technologies accounts and systems wherever available, and is mandatory for access to company email, VPN, and core business applications at Adamas Technologies.

9.3 Software and Device Usage at Adamas Technologies

Installation of unauthorized software on Adamas Technologies devices is prohibited. Employees of Adamas Technologies must obtain IT approval before installing any new application or tool that interacts with company data or the Adamas Technologies network.

9.4 Data Classification and Handling at Adamas Technologies

Company data at Adamas Technologies is classified into four categories, described below. Employees of Adamas Technologies must handle each category in accordance with IT guidelines.

Public: Information Adamas Technologies has approved for external release, such as published marketing material, which requires no special handling.

Internal: Information intended for use within Adamas Technologies, such as internal announcements, which should not be shared outside the company.

Confidential: Sensitive business information, such as unreleased product plans or commercial terms, which requires restricted sharing and access controls.

Restricted: The most sensitive category, such as employee personal data or client credentials, which requires encryption and the strictest access controls at Adamas Technologies.

9.5 Incident Reporting at Adamas Technologies

Any suspected security incident at Adamas Technologies, including phishing attempts, lost devices, or unauthorized access, must be reported to the IT Security team of Adamas Technologies immediately upon discovery, so that containment measures can be initiated without delay.

9.6 Access Controls at Adamas Technologies

Employee and client information at Adamas Technologies is protected using role-based access controls, ensuring individuals can access only the data necessary for their role. Access rights at Adamas Technologies are reviewed

periodically and revoked promptly upon an employee's role change or exit, as described in Section 12 of this handbook.

9.7 Acceptable Use of Email and Internet

Employees of Adamas Technologies may make reasonable personal use of company email and internet access, provided such use does not interfere with work, violate this Code of Conduct, or expose Adamas Technologies to security or legal risk.

9.8 Physical Security at Adamas Technologies Offices

Employees of Adamas Technologies must wear their company-issued identification badge at all times within Adamas Technologies premises, and must not allow unauthorized individuals to enter secured areas using their access credentials.

10. Performance Management

This section of the Adamas Technologies Employee Handbook describes the performance review cycle, goal setting, promotion, and Performance Improvement Plan processes applicable to employees of Adamas Technologies.

10.1 Review Cycle at Adamas Technologies

Formal performance reviews at Adamas Technologies are conducted every quarter, supplemented by an annual comprehensive review that informs increments, bonuses, and promotions, as described in Sections 5.4 and 5.5 of this handbook.

10.2 Goal Setting at Adamas Technologies

At the start of each review cycle, employees of Adamas Technologies establish measurable goals jointly with their managers, aligned with team and company objectives. Progress against these goals is tracked throughout the cycle in the performance management module of the HRMS.

10.3 Performance Rating Scale

Adamas Technologies uses a five-point performance rating scale at each quarterly and annual review: Outstanding, Exceeds Expectations, Meets Expectations, Needs Improvement, and Unsatisfactory. An employee's rating is determined jointly by the manager's assessment and the employee's self-assessment, subject to calibration described in Section 10.6.

10.4 Promotions at Adamas Technologies

Promotion decisions at Adamas Technologies take into account sustained performance, demonstrated skill growth, leadership behaviours, and the organizational need for the target role. Promotions at Adamas Technologies are reviewed and approved through the calibration process defined by the Human Resources Department.

10.5 Performance Improvement Plans (PIP) at Adamas Technologies

Where an employee of Adamas Technologies receives a rating of Needs Improvement or Unsatisfactory, as described in Section 10.3, a documented Performance Improvement Plan (PIP) may be introduced, defining specific improvement areas, the support Adamas Technologies will provide, and a defined review timeline, typically thirty (30) to ninety (90) days. An employee of Adamas Technologies who does not meet the goals of a PIP by the end of the review timeline may face further disciplinary action up to termination of employment, as described in Section 8.10 of this handbook.

10.6 Calibration

Following each review cycle, managers across Adamas Technologies participate in a calibration process facilitated by the Human Resources Department, to ensure performance ratings are applied consistently across teams before ratings are finalized and communicated to employees.

10.7 Recognition at Adamas Technologies

Outstanding performers at Adamas Technologies may receive spot bonuses, recognition awards, and public acknowledgment through internal recognition programs, in addition to consideration during the formal review cycle described in Section 10.1.

11. Grievance and Escalation Process

This section of the Adamas Technologies Employee Handbook describes how employees of Adamas Technologies may raise and escalate workplace concerns, and how Adamas Technologies investigates such concerns.

11.1 First Point of Contact at Adamas Technologies

Employees of Adamas Technologies are encouraged to first discuss any work-related concern with their immediate supervisor, who is expected to address the matter promptly and fairly.

11.2 Escalation to Human Resources at Adamas Technologies

Where a concern at Adamas Technologies remains unresolved, or where the concern involves the immediate supervisor, employees may escalate the matter to the Human Resources Department through the designated grievance channel published on the internal HR portal, providing relevant details to support a timely review.

11.3 Anonymous Complaints at Adamas Technologies

Employees of Adamas Technologies who wish to raise a concern anonymously may do so through designated confidential channels communicated by the Human Resources Department. Anonymous complaints at Adamas Technologies are reviewed with the same seriousness as named complaints, to the extent the information provided allows for investigation.

11.4 Non-Retaliation Policy at Adamas Technologies

Adamas Technologies strictly prohibits retaliation against any employee who raises a genuine concern in good faith. Any instance of retaliation at Adamas Technologies will itself be treated as a serious violation of the Code of Conduct described in Section 8 of this handbook.

11.5 Investigation Process at Adamas Technologies

All grievances raised at Adamas Technologies are investigated confidentially, impartially, and within a reasonable timeframe, typically not exceeding thirty (30) days, with outcomes communicated to the concerned parties as appropriate. Complaints raised under the POSH policy described in Section 8.2.1 follow the timeline mandated by applicable law.

11.6 Appeal Process

An employee of Adamas Technologies who disagrees with the outcome of a grievance investigation may submit a written appeal to the Head of Human Resources within fifteen (15) days of being notified of the outcome, setting out the specific grounds for the appeal.

12. Exit and Offboarding Policy

This section of the Adamas Technologies Employee Handbook describes the resignation, asset return, exit interview, and final settlement process that applies when an employee leaves Adamas Technologies.

12.1 Notice Period at Exit from Adamas Technologies

Employees of Adamas Technologies must serve the applicable notice period specified in their offer letter and in Section 2.4 of this handbook. Adamas Technologies reserves the right to relieve an employee earlier than the notice period at its discretion, with the corresponding pay treatment described in Section 5.6.

12.2 Return of Company Assets to Adamas Technologies

All company assets issued by Adamas Technologies, including laptops, mobile devices, access cards, identification cards, and any confidential materials, must be returned to the IT or Admin team of Adamas Technologies on or before the employee's last working day. Final settlement, described in Section 12.4, may be withheld pending complete asset return.

12.3 Exit Interview at Adamas Technologies

The Human Resources Department of Adamas Technologies conducts an exit interview with departing employees to gather feedback on their experience and identify opportunities to improve organizational processes. Participation in the Adamas Technologies exit interview is encouraged, though feedback shared remains confidential.

12.4 Full and Final Settlement at Adamas Technologies

Final settlement from Adamas Technologies, including any pending salary, leave encashment as described in Section 4.9, gratuity where applicable as described in Section 6.6, and reimbursements, net of applicable deductions such as any notice period buyout described in Section 5.6, is processed after successful completion of the clearance process, typically within thirty (30) to forty-five (45) days of the employee's last working day.

12.5 Experience and Relieving Letters from Adamas Technologies

Experience letters and relieving letters are issued by Adamas Technologies following successful offboarding and clearance, confirming the employee's tenure, last designation, and confirming that all dues have been settled.

12.6 Post-Employment Obligations

An employee's confidentiality obligations to Adamas Technologies described in Section 8.3 of this handbook, and any other post-employment obligations set out in the employee's offer letter or employment agreement, continue to apply after the employee's last working day at Adamas Technologies.
